

UNLOADING AREA OUTSIDE BUILDING  
IS NOT STACKED WITH BOXES LIKE  
LAST TIME. ONLY STACKS OF EMPTY PALLETS  
INSIDE OF WAREHOUSE. THE ENTIRE  
LEFT SIDE HAS BEEN EMPTIED OUT.  
PIECES OF CARB BOARD, CUT BANDING MATERIAL,  
AND PIECES OF PALLETS ARE LAYING ABOUT  
BUT NOTHING IS STORED HERE NOW.  
LAST TIME THERE WAS THING STORED  
HERE.

ON RIGHT SIDE, WHICH I BELIEVE  
IS AREA OF INTEREST, THERE ARE THINGS  
LIKE GIANT SLINKYS, SOLID BANDED  
CYLINDERS MAYBE A MAN TO A MAN AND  
A HALF IN HEIGHT.

NEXT ON RIGHT GOING FRONT  
TO BACK WAS A TUBULAR OBJECT  
METALIC, WITH LAYERS OF METAL. IT WAS  
STANDING ON GROUND AND LOADED ON  
ONE PALLET. ACROSS ISLAND GOING BACK  
WERE BOXES OF BRIGHT RED TUBULAR  
OBJECTS STACKED IN ROWS OF MAYBE 5  
AND TWO HIGH. TUBES WERE PERHAPS  
2 1/2' OR 3'.

FARTHER BACK WERE OBJECTS

OBJECTS LIKE BENCHES, STOVES,  
KINDA HOOR GLASS SHAPED, METALIC, HEAVY,  
FUNCTIONAL. THESE HAD SOMETHING TO  
DO IN SOME WAY WITH AN ANTENNA.

FARTHER BACK ON LAST SHELVES  
WERE A SERIES OF COMPONENTS,  
THINGS ASSOCIATED WITH DEPOT  
MAINTENANCE. ACROSS ISLE IN  
BACK ARE BOXES FROM LAST TIME.  
BOXES HAVE SERIES OF ITEMS IN THEM.

ITEMS HAVE TWO PARTS (SEE SKETCH)  
MAIN PART + BASE, MAIN PART HAS  
PROTRUSION WIRES AND MAYBE HOLES.

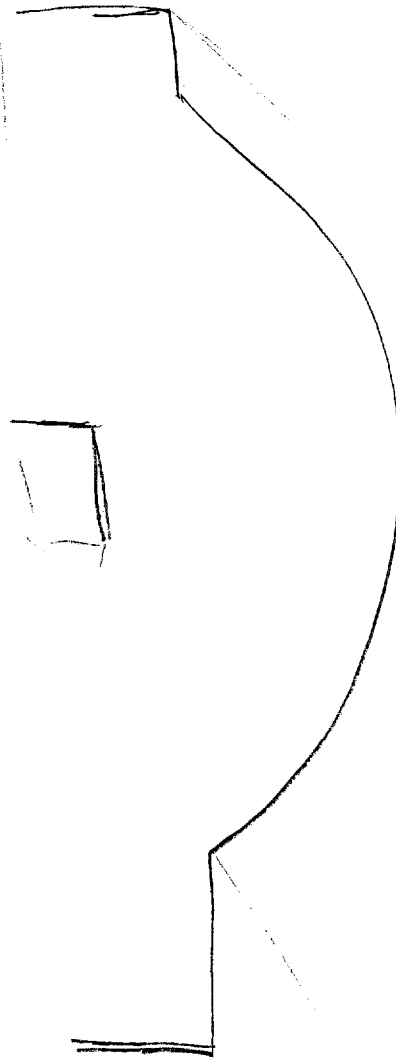

IT REMINDS ME OF A JEWEL HARP (NFI)  
AREA IS ROUTINELY PATROLLED AND  
A RUNNING INVENTORY IS CONSTANTLY  
MAINTAINED. WAREHOUSE IS PROBABLY  
80% EMPTY NOW.

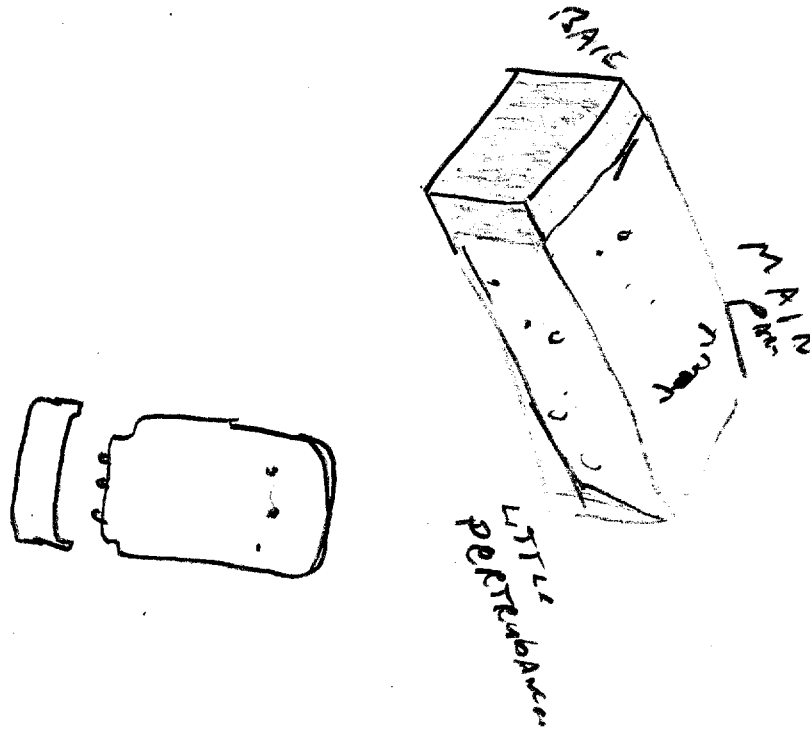

I GO BACK TO A TIME  
WHEN THERE WAS MORE ACTIVITY.  
IT IS NIGHT, BRIGHT LIGHTS.  
MANY PEOPLE IN GRAY OVER HAUL

ALL THINGS ON LEFT OF WHERE  
HOUSE. THERE IS A SMELL OF OIL  
RAGS, COSMETICS, NEW COLD METAL.  
PEOPLE HAVE A DEADLINE AND ARE  
WORKING WITH A SENSE OF URGENCY.  
THEY WALK IN TWO AND THREE  
MAN TEAMS.

THINGS THEY ARE PREPARING  
ARE LARGE, METALIC AND HAVE A  
SLOPE TO THEM (NFU).
